Field Trips and Community Service

To the extent that budgetary resources permit, the Board of Education encourages and sanctions student trips or other out-of-district school activities, including participation in interscholastic events, community civic projects and international travel which are of value in helping achieve each participating student's educational objectives.

The school staff, under the direction of the administration, shall take all reasonable and prudent steps to safeguard the physical and educational welfare of participating students. Each such student shall be given guidance in setting up educationally sound variations in his school program to enable him to participate and shall be counseled as to his obligations in fulfilling them.
