

Instruction

**AIDS Instruction**

Regional School District #10 in compliance with state statute Public Act 88-112, shall offer during the regular day, an ongoing and systematic instruction on Acquired Immune Deficiency Syndrome, taught by legally qualified instructors.

Regional School District #10 will offer systematic instruction within the following sequences K-2, 3-5, 6-8, 9-12.

Regional School District #10 will permit the exemption of students from AIDS instruction, upon the receipt of written request by parents. Exempted students will be provided with alternate activities and the students' grades will not be affected by non-participation in AIDS instruction.
