

Instruction

Guidance Services

The guidance program shall be an integral part of the total program of instruction.

The major objective of the guidance program is to help each student make the best of the educational opportunities toward a useful and happy life.

The guidance program shall be directed toward the growth and improvement of all students in the school, recognizing, however, that some students are in greater need of individual guidance than others.

The guidance program shall attempt to provide for each student a sense of belonging, self-respect, emotional security, achievement, recognition, and develop an appreciation and understanding of the world by providing a classroom and school environment in which effective learning and good behavior take place.

The guidance program shall provide a positive program of correction and prevention of antisocial behavior of students. It shall aim to provide a sense of responsibility and self-respect in students.
