

Personnel – Certified/Non-Certified

Early Dismissal on Half-Days

Inclement Weather

When it becomes necessary to close school early due to inclement weather; teachers, teaching assistants, nurses and school secretaries may be dismissed at the discretion of the principal following the clearing of the building.

However, each office must be manned until notification that all buses transporting children home have done so successfully.

Half-Days before Thanksgiving, Christmas, Final Day in June

Same as above.
