1. Purpose of the meeting was to discuss a proposed Resiliency Response questionnaire to be given to Grade 8 and Grade 9 students. Martha provided the questionnaire, which she used in a previous position, and which included questions that focus on skills that help people be able to cope with change and handle stress.
2. Martha and Pam Lazaroski met previously to review the questionnaire and make applicable changes from both the middle school and high school perspective.
3. Martha and Jeanne made a few additional minor changes to the questionnaire. Martha will look into having the questionnaire administered with other planned testing in the computer lab, since time and space are limited.
4. The questionnaire will be anonymous, except for grade level and whether student is male or female.

Meeting adjourned at 3:55 p.m.

Respectfully submitted,

Jeanne Doerr
