NOTICE TO PARENTS, FACULTY, AND STAFF

ASBESTOS MANAGEMENT PLAN

08/01/2017

Our buildings are inspected every 6 months as required by §19a-333-1 *through* 13 of the Regulations of Connecticut State Agencies, "Asbestos-Containing Materials in Schools"; to determine any changes in the condition of identified asbestos-containing building materials. Additionally, the school will be reinspected every three years by an accredited inspector following the same basic criteria as stated in the original plan.

Region 10 maintains in each school's main office and Superintendent's office a complete updated copy of the asbestos management plan. It is available during normal business hours for inspection. The Designated Person for the Asbestos Program is Dave Fortin, and can be contacted at 860-673-2538.

We remind you that this notification is required by law and should not be construed to indicate the existence of any hazardous conditions in our school buildings.
