

Regional School District #10

Inclement Weather Days Transportation Procedures

- If there is a cancelation/delay for Region 10, then **ALL** buses will be canceled/delayed for the announced increment of time set by Region 10 administration.
- If there is **NO** cancelation/delay for Region 10, but **THERE IS** a cancelation/delay for your *magnet* school, then transportation will be canceled/delayed for the announced increment of time set by the *magnet* school
- If there is **NO** cancelation/delay for Region 10, but **THERE IS** a cancelation/delay for *Oliver Wolcott Tech.* or *Wamogo*, then transportation will run on Region 10's time schedule. *Oliver Wolcott Tech.* and *Wamogo* will open their cafeteria's to receive students to wait for their school day to start.
- If there is **NO** cancelation/delay for Region 10, but **THERE IS** a delay for *Bristol Tech.*, then transportation will run on Region 10's time schedule. Students will wait in the office until all of the bus runs for Region 10 are completed, then they will be transported via school bus to *Bristol Tech.* for the delayed opening.
- If there is an unscheduled, early release for Region 10, the out of district schools will be contacted by the bus company to release Harwinton and Burlington students for early pick up based on Region 10's early release schedule.
- If the out of district schools have an early release and Region 10 does not, then students will be picked up based on the out of district schools schedules and brought to their normal bus stops.
- If Region 10 has a scheduled day off and your out of district school does not, buses will run on that school's schedule from regular bus stops. *Bristol Tech* students will be dropped off at the stop they are picked up from.
