

Students

**Awards for Achievement**

The Board of Education encourages the professional staff to maintain a set of criteria and procedures for presenting letters or other suitable awards to students for scholarship and distinguished service in any school activity. In all cases, the relationship between the award and the relevant goal or goals of the schools should be indicated.

The professional staff is authorized to review and approve, or reject, proposed trophies, prizes, scholarships or other awards from non-school donors.

Policy adopted:       September 17, 1990  
Policy reviewed:       July 1, 2009
